As the Yomim Noraim approach and we begin a new year, we take pause to reflect on all the accomplishments and growth of our shul, Bais Medrash Ohr Simcha. For over 30 years, Bais Medrash Ohr Simcha has been a warm and welcoming makom Torah with a focus on Torah, mussar, and chesed.

With tremendous Siyaata Dishmaya, our shul attendance continues to grow and we welcome all of our new families and members. With shiurim and a morning Kollel, the sounds of Torah and Tefila reverberate. Last Elul we launched our night Kollel in memory of HaRav Shelaim Furst ztl. We have seen much success and hope B'ezras Hashem to continue developing this program.

In order to continue to maintain and expand our shul, we are reaching out to you for your support.

Membership fees are one of the integral ways we meet our financial obligations. We ask each member to do their part in helping our shul thrive. Monthly payments are available.

We thank you in advance for your participation and assistance in this matter.

May Hashem listen to our tefillos and may we all merit a sweet new year.

Wishing you a gut gebenched yur and a beautiful Yom tov,

Ksiva vechasima tova.
