

September 5784-5785 / 2024-2025

As the Yomim Noraim approach and we begin a new year, we take pause to reflect on all the accomplishments and growth of our shul, Bais Medrash Ohr Simcha. For over 30 years, our Bais Medrash Ohr Simcha has been a warm and welcoming makom Torah with a focus on Torah, mussar, and chesed.

With tremendous Siyaata Dishmaya, our shul attendance continues to grow and we welcome all of our new families and members. With HaShem's bracha, we have been able to offer a morning Kolle, Night Kollel, and learning on Shabbos. Baruch HaShem we now offer more learning opportunities for all our community.

In order to continue to maintain and expand our shul, we are reaching out to you for your support. Membership fees are one of the integral ways we meet our financial obligations. It is obvious that practically every expense has increased this past year. Unfortunately, our Shul is not exempt from these financial struggles. We ask for everyone to participate to the best of their ability and consider giving the most they can to continue to invest in Torah. Please note our membership fees are not increasing, but we do need everyone's help to meet our financial responsibilities.

Monthly payments are available. We thank you in advance for your participation and assistance in this matter.

May Hashem listen to our tefillos and may we all merit a sweet new year.

Wishing you a gut gebenched yur and a beautiful Yom tov, Ksiva vechasima tova.

Thanks in advance,

Beis Midrash Ohr Simcha Membership Committee
